**OLD TECH**  
**BOOKS**  
**& THINGS**

A 2,000 sq. ft. museum is not enough space for my 1000+ set collection. And, hundreds of boxes await either space in the museum or sale. Some things must go! Choices must be made. As the late Dr. Muchow said, "As collectors, we truly are temporary caretakers of these historical artifacts."

Items for sale are either dulgates or the result of fine-tuning the scope of my collection.

For details on these items and much more, visit:
